

Term 1 - 2022

FERGUSON

INTERMEDIATE SCHOOL

Kia ora , Kia orana , Talofa Lava , Malo e lelei , Bula Vinaka and greetings to all whanau and students

It has been a slow start to 2022 with many students not attending during the first five weeks of school because of Covid. We are beginning to see a huge turn around and student attendance during week six onwards has improved with approximately 80% of students attending school regularly.

Although attendance during the first five weeks of school was low, we continued with normal school programmes and completed assessments in Reading, Writing and Maths. If a student was absent during assessment week they were assessed when they attended school.

It is pleasing to report that the majority of students are attending school well dressed in their full school uniform, engaging in their learning and are behaving very well at school. Well done whanau!

All students have access to their own device, and they are able to complete their work using Educa. Many parents are checking on their child's work on Educa and they are making positive comments. This is very helpful and motivating to the child. Parents can also access their child's assessment data on "Edge" a software Programme our school uses. Please email your child's teacher if you require more information on how to access Educa or Edge or you can refer to our school's website.

Finally, our best protection against Covid is vaccination, if your child is not fully vaccinated, please consider getting your child vaccinated.

Mr. Govender
Principal

TERM DATES

Term 1 Ends
Thursday 14 April

Term 2
02 May 2022-
08 July 2022
